

APPLICATION FORM

Climate Action for Millennials Programme (CAMP)

2021 August

Topic: "Climate, Food Security and Water"

Application Deadline: Friday 25th June 2021

NB: Please attach copies of your CV and final-year university transcript

This training course aims to develop science-based knowledge on climate change, and its predicted local effects. You will also create outreach materials for you to educate groups of secondary school learners in your home town during the third school term of 2021, under the guidance of Gobabeb.

Personal details

Surname	
Name(s)	
ID number
